SPANISH MAJOR REQUIREMENTS (26 credit hours)

The Spanish major covers the language, literature, and culture of the Spanish-speaking world. Spain has a rich heritage dating from the pre-Roman times to the present. It includes the drama of conquest and reconquest, the resulting mixture of Visigoth, Roman, Arab, and other cultures, and the adaptation of the Spanish people to the diverse landscape of the Iberian Peninsula. The recorded history of Latin American nonetheless offers a panorama of geographical regions, each with its own history and culture—from the Gauchos of Argentina to the ancient Incas of the Andes, from the conquest of the Aztecs by the Conquistadors to the African influence on Caribbean culture. Understanding these cultures better prepares one to be a citizen of the world. In addition, the study of Spanish language and its development expands students' understanding of how languages work, including English. This in turn helps one think more logically and express oneself with more imagination.
