University Withdrawal

Students who must withdraw from the University should consult with the dean of students and complete the necessary withdrawal forms. Until such forms are completed by the student and submitted to the Registrar's Office, withdrawal is not official. Refunds, if any, are given only after official withdrawal. No student may continue to live on campus after withdrawal from the University. Students who do not return by the last day to add a class for the fall or spring semester are withdrawn by the Registrar's Office. The subsequent withdrawal date will be the last day of the preceding enrolled semester.
