Verification Worksheet Independent Student V5

Your 2014–2015 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

E. Students 2013 income information
If you are married and you and your spouse filed separate 2013 tax returns, you must submit tax return transcripts for both you and your spouse.

1. Tax return filers: Complete this section if you filed or will file a 2013 income tax return with the IRS.
The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log in to your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2013 IRS income tax information into your FAFSA.

Check the box that applies:

☐ I have used the Data Retrieval Tool
☐ I will use the tool once I have filed my 2013 IRS tax return. I understand that the verification process cannot be completed until my (and, if married, my spouse’s) IRS information has been transferred into my FAFSA
☐ I cannot or will not use the tool and I will submit a 2013 IRS tax return transcript to Southern Virginia University. I understand that verification cannot be completed until the transcript has been received and evaluated.

To obtain an IRS tax return transcript, go to www.IRS.gov and click on the “Order a Return or Account Transcript” link, or call 800-908-9946. Make sure to request the “IRS tax return transcript” and NOT the “IRS tax account transcript.” You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when your 2013 IRS tax return was filed)

2. Tax return nonfilers: Complete this section if you (and, if married, your spouse) will not file and are not required to file a 2013 income tax return with the IRS.

Check which statement is true

☐ I was not employed and had no income earned from work in 2013- If you had no income, or minimal income, during 2013, you must document your means of support.
Submit a statement and any documentation related to your income for 2013 with this form.

☐ I was employed in 2013 but was not required to file a tax return. Listed below are the names of all employers, the amount earned from each employer, and whether an IRS W-2 is attached. If you have any W2’s they must be attached. List every employer even if you did not receive a W-2

☐ If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.

☐ If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.
