## BRANDING OVERVIEW

#### INTRODUCTION

The Branding & Creative Office seeks to elevate awareness and perception of Southern Virginia University by promoting a strong brand identity to key University constituents and stakeholders, including current and prospective students, their parents, alumni, faculty and staff, and other donors and friends of the University.

The vision for Southern Virginia University's brand is set by the University President. Under the direction of the Chief Marketing Officer, the Branding & Creative Director oversees and carries out the vision for the brand and ensures that all items using the University's name, color, or logo align with the University's Brand Standards.

### WHAT IS A BRAND?

A brand is more than a name or a logo – it's a way to connect emotionally with customers, become irreplaceable, and create lifelong relationships ...

A strong brand stands out in a densely crowded marketplace.

- Alina Wheeler, Designing Brand Identity
- "A brand is a person's gut feeling about a product, service, or company."
- Marty Neumeier, The Brand Gap
- "A brand is a promise."
- -President Reed N. Wilcox.

#### WHAT IS A BRAND IDENTITY?

Brand identity is an essential part of branding that appeals to the senses—you can see it, touch it, hold it, hear it, watch it move. A brand identity is made of up visual elements such as logos, colors, typography, and imagery. The purpose of brand identity is to unify disparate elements into whole systems that fuel recognition and amplify differentiation.

Successful Brand Identities are:

- Authentic
- Coherent
- Consistent
- Unique
- Flexible
- Sustainable

#### HOW DO WE BUILD A SUCCESSFUL BRAND IDENTITY?

Organizations develop brand standards and guidelines to promote an authentic, coherent, and consistent look and feel for all visual elements of the brand identity. These brand standards apply to all printed and digital marketing materials, promotional products, and apparel, including athletic apparel and uniforms. Southern Virginia University's Brand Standards are available on the University wesbite at svu.edu/brand.

## PRIMARY LOGOS

#### **PRIMARY LOGO**

Main Hall is the most recognized brand symbol for Southern Virginia University. Its prominent location above Buena Vista is reminiscent of the Savior's teaching that a light "set on an hill cannot be hid."

The Primary Logo consists of the Tower Logo and Southern Virginia University Wordmark. The arrangement, orientation, proportions, or spacing of the logo and wordmark should not be altered.

### **Primary Logo**

#### **TOWER LOGO**

The Tower Logo may be used without the Wordmark as a quick university identifier on social media accounts, email signatures, campus signage, etc.

Southern Virginia's seal is used primarily for formal academic purposes like certificates and official documents. The seal may also be used on clothing or other selected items with express permission from the Branding & Creative Office.

## COLORS

#### **PRIMARY COLORS**

Crimson, White and Silver are the primary colors of Southern Virginia University.

Crimson is the most recognizable color of our unique campus architecture. For medieval knights, this deep red color symbolized victory, while white symbolized the ideals of perfection and purity.

Silver conjures imagery of a knight's shining armor. Historically, grey or silver symbolized balance and justice. Today, the color represents modernity, solidity, and strength.

Athletic uniforms should only use the University's primary colors.
